**Description :** Donut ride is a fun-filled activity which visitors can enjoy during their family vacation in Dubai. It is similar to a banana boat, although it stands out for its unique and brightly colored donut shape. Moreover, contrary to a banana boat, it offers a great sense of security with very less chance of falling out into the water. Regardless of adults or kids or young or old, almost anyone above 10 years can hop aboard this round inflatable boat, which will be drawn by a speedboat or a personal water craft along the beautiful shoreline of Dubai. Depending on your age and unique ride preferences, your donut boat will give you an exhilarating ride, twisting and rotating you in the middle of the sea. While it can seat up to two to four people at a time, it's vital to make sure that the number of passengers on its either side are same. Contact us to know more about this incredibly exciting and enjoyable water activity.
