Description : SKY VIEW & GLASS SLIDE

Ready to rise to the challenge? Sky Views Edge Walk is the most thrilling attraction in Dubai, and the first of its kind in region. It is the city's highest full circle hands-free walk on a ledge which encircles the top of the Tower's main pod, over 219.5 above the ground taking thrill seekers to the tippy-top of the skyscraper in Downtown Dubai. This trek takes visitors along the outside of the building — with no windows or other protective barriers standing between them and sky-high views.
