Description : Dubai City Tour

Especially in Dubai, the United Arab Emirates are packed with exciting opportunities and stunning natural scenery. Dubai Museum, established in 1979, is the first stop on Royal Adventure Tourism's Dubai City Tour. The museum is situated close to the Al Fahidi Fort, a historic landmark dating back to the 18th century. The museum is a great place to learn about the history of Dubai and the old city. The tour will then go to the beautiful Jumeirah Mosque, a stunning example of modern Islamic architecture that was completed in the late 19th century and hailed as a masterpiece at the time of its creation.
